

The image shows a virtual event interface. At the top left, a 'Speaker' window displays two video feeds: Prisca Barnes on the left and Amanda Wahmeier on the right. Below this is a 'Resource List' with two items: 'Kansapedia – Dockum Drugstore Sit-In' and 'Dockum Drugstore Sit-In: Why it Matters to Wichita's Rich Cultural History'. Underneath is a 'Speaker Bio' for Prisca Barnes, Founder/CEO of Storytime Village, Inc. The main 'Presentation' window shows a black and white historical photograph of a group of people standing in a line behind a metal barricade. At the bottom, a navigation bar contains icons for video, chat, Q&A, documents, profile, help, and messages. A 'POWERED BY ON24' logo is in the bottom right corner.
